The Amity Cares – Habitat goal is \$50,000 which will support Habitat’s building efforts. We recognize that organizations/congregations differ in their organizational structures, financial resources and size, and thus, monetary commitment is not a requirement to joining the Amity Cares Build. But a pledge to support the Amity Cares’ collective fund raising activities is required. These activities will be planned together by the Fund Raising Committee and proceeds will count toward meeting our goal.

Please indicate how your organization/congregation will be able to help:

- _____ 1. We pledge to contribute \$ _____ for Amity Cares – Habitat for Humanity’s goal of \$50,000. To count toward the goal, gifts must be received between January 1, 2008 – December 31, 2008.
- _____ 2. We will participate actively in fund raising events with the proceeds going to the Amity Cares – Habitat Build.
- _____ 3. We will solicit donations of building supplies and/or services to reduce costs.
